National Patient
Safety Agency

National Patient Safety Agency

We lead and contribute to improved, safe patient care by **informing**, **supporting** and **influencing** organisations and people working in the health sector.

We are an Arm's Length Body of the Department of Health and through our three divisions cover the UK health service.

National Reporting and Learning Service

Aims to reduce risks to patients receiving NHS care and improve safety.

National Clinical Assessment Service

Supports the resolution of concerns about the performance of individual clinical practitioners to help ensure their practice is safe and valued.

National Research Ethics Service

Protects the rights, safety, dignity and well-being of research participants that are part of clinical trials and other research within the NHS.
